

Health Declaration for Visiting the Presidential Office Building

To coordinate with preventive measures for COVID-19, please fill in the following items and sign the affidavit before entering the Presidential Office Building:

1. Provide name and a contact telephone or mobile phone number here:
2. Neither I nor any cohabiting family member is required to be home-isolated or home-quarantined for 14 days, nor have we, within the last 14 days, shown symptoms including fever, coughing, runny nose, stuffy nose, shortness of breath, diarrhea, general fatigue, abnormal sense of smell or sense of taste, or weakness of the limbs.
3. I have answered the relevant questions truthfully and am willing to cooperate with disease-prevention measures.

✘ A reminder: Wash your hands frequently, take your temperature daily, and wear a face mask when entering public spaces when not able to practice social distancing. If you still have relevant symptoms, please call the disease-prevention hotline at 1922, and we suggest that you cancel your visit to the Presidential Office Building.

✘ Personal data in this declaration will only be used for disease-prevention purposes related to opening of the Presidential Office Building for visits.
